Recommendation of Supervisor

This is to clarify that the present project work entitled “*Mathematical Modelling on Biological Dynamics: Bacterial Resistance to Multiple Antibiotics and Logistic Harvesting Model*” has been carried out by **ID No: B200302024, Group No: 17** under my direct supervision at **Department of Mathematics, Jagannath University, Dhaka, Bangladesh**. I recommend that the prepared project could be accepted in partial fulfillment of the requirement for the degree of B.Sc. (Hon’s) in Mathematics. The results embodied in this dissertation have not yet been submitted elsewhere for the awards of any degree.
